**SUPPLEMENTAL SUPPORT FOR
PETITION TO RESET THE TIME PERIOD
FOR RESPONSE**

Sir:

This paper supplements the Petition to Reset the Time Period filed January 18, 2008.

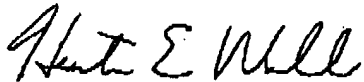

Applicants hereby recite and state as follows:

1) That the attached documents provide support for the fact that Applicants representatives, to which the Notice of Non-Compliant Amendment was sent, have well established procedures and facilities for receipt and docketing of such communications from the Office.

2) That according to the attached document, the communication was never received by Applicants' representative and was only docketed subsequent to discovery on January 9, 2008.

In light of the above, Applicants request that the Office reset the time for filing a response to the Notice of Non-Compliant Amendment mailed by the Office to run from the date of January 9, 2008. Applicants further request that fees paid for an Extension of Time paid in association with the Replacement Amendment be refunded. Applicants still further pray for all other relief to which they may be entitled.

Respectfully submitted,

Hunter E. Webb
